To a really funny, nice kid that I've known since back in Saint Al's. Remember all the times last year when we used to bug Prune, and when everyone used to look at the ceiling, and pretend that we saw something. And sometimes we'd stare at a spider or fly. That was so funny! We really had fun last year, and this year, too. I really hope you're in some of my classes next year, coz I really think you're a funny kid. Good luck, and hope to seeya around next year.

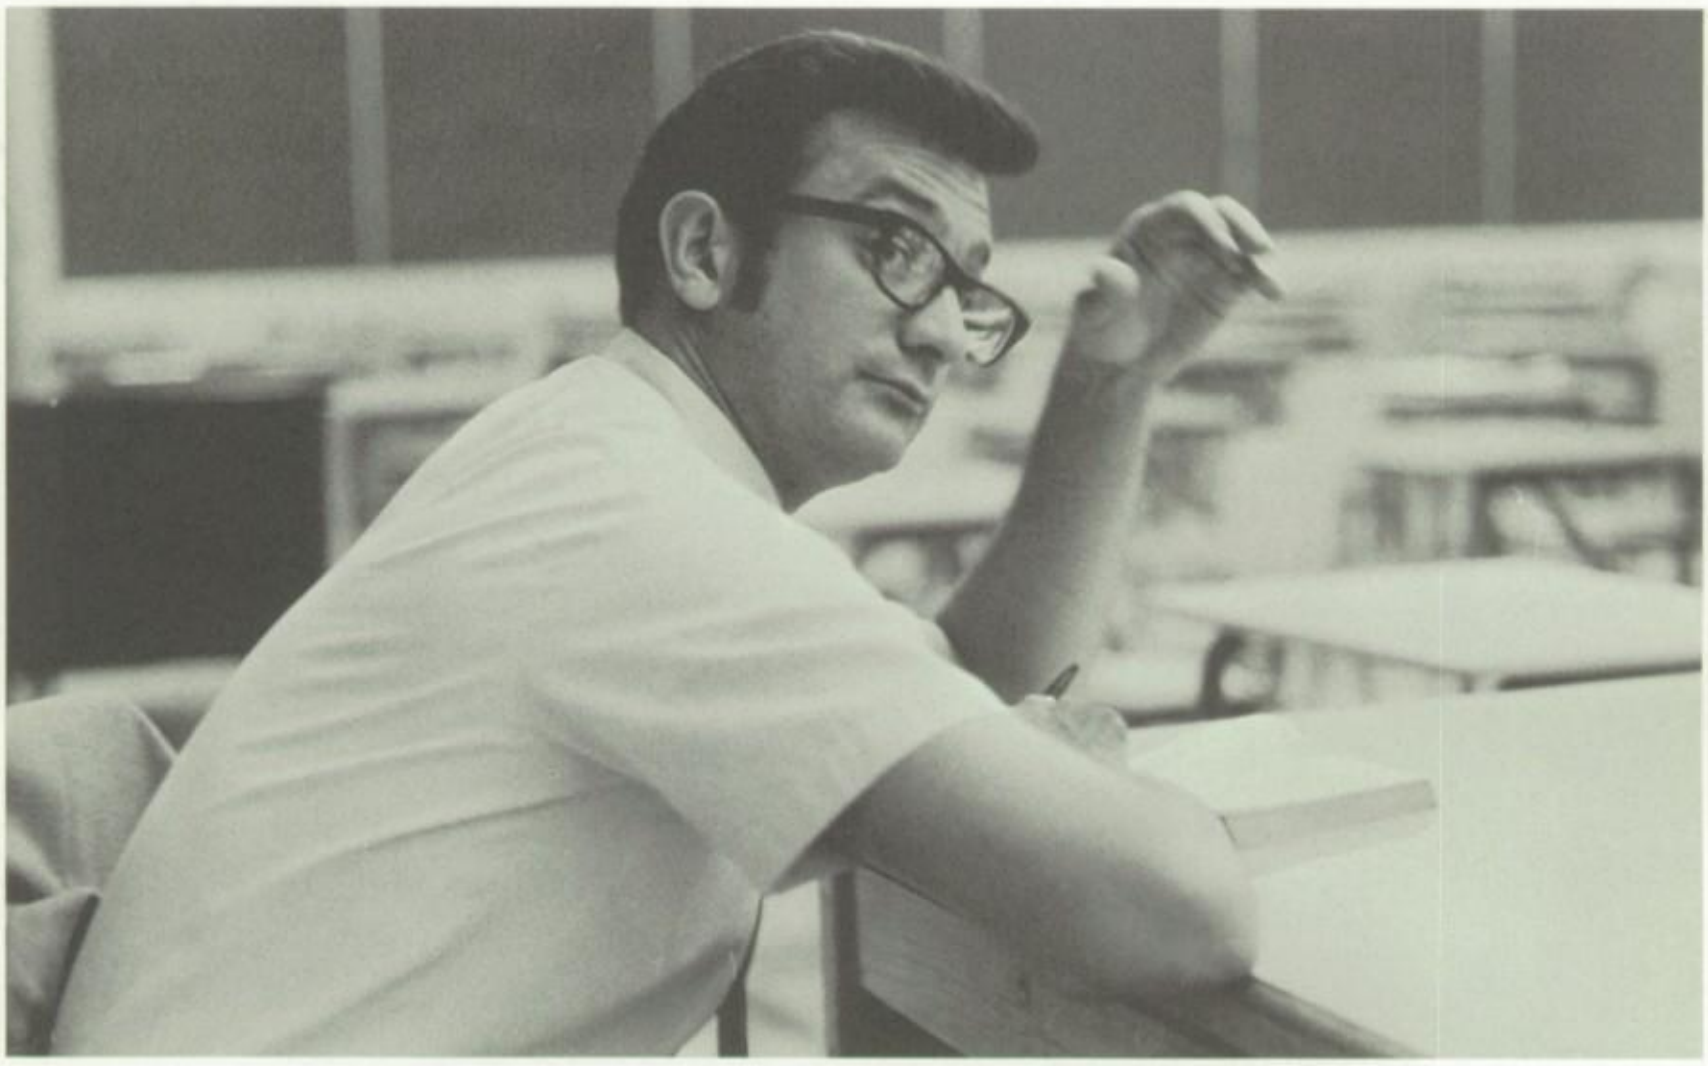
# RECOGNITION IS:



Springdale High School dedicates the 1971 Electra not only to a teacher, but to a friend attuned to the needs of his students.

A friend who taught us that to be a student was not in direct contrast to being human.

A friend who taught us not to study as students, but as human beings who are alive and who care.

A friend who taught us to leave the isolated world of the classroom, and allow our education to become part of our living and our living to become part of our education.

There are few teachers who in some way, in some degree, change the world forever for their students. This is one such teacher—MR. DUANE RINELLA.

# EXCHANGE IS:

RENÉ STROHECKER
Springdale's Representative to Portoviejo, Ecuador

MICHELLE MATIJAK
Springdale's Representative to Lima, Peru.

For the first year, Springdale is participating in the International Fellowship program. During the summer of 1970, René and Michelle went to South America. At the present time, Silvio, Poncho and Cassia are visiting here.

The program itself is valuable to all participants. We have a great opportunity to share experiences with people of another country. We can see how a foreigner lives and learns his language. Once the communication barrier is broken, there are even more opportunities. The program allows the student to attend a different school. This, too can be beneficial. He lives with a family of the country itself, thus providing a more typical view. The exchange student is enabled to formulate an opinion on most aspects of the country.

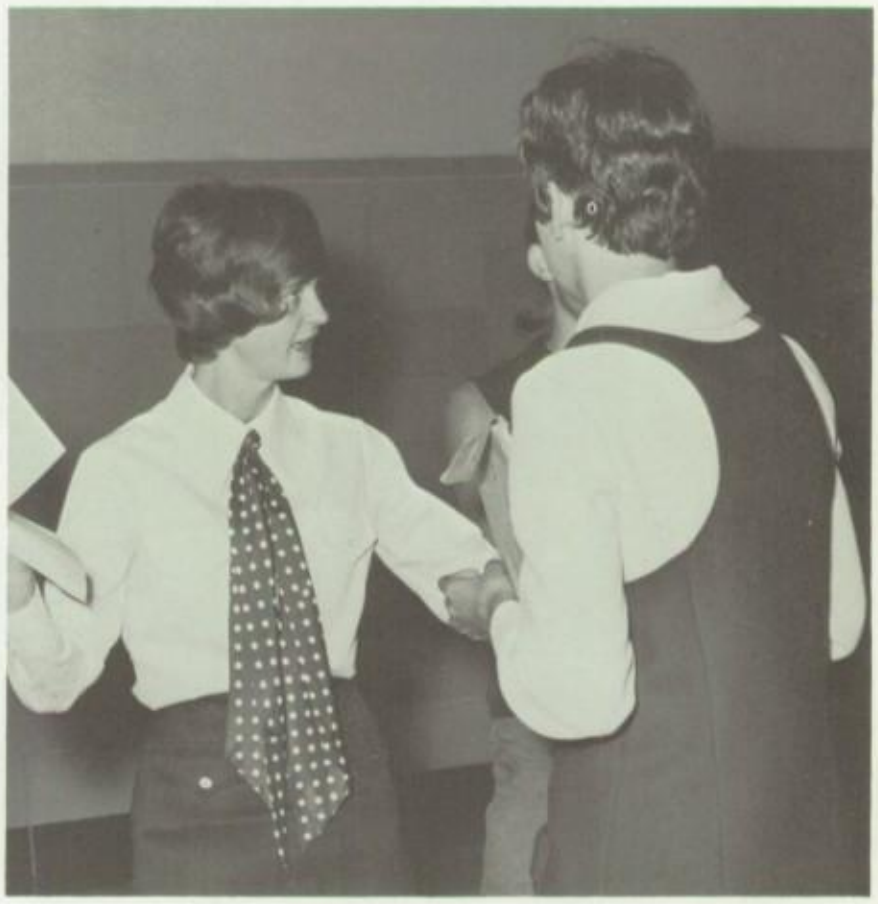
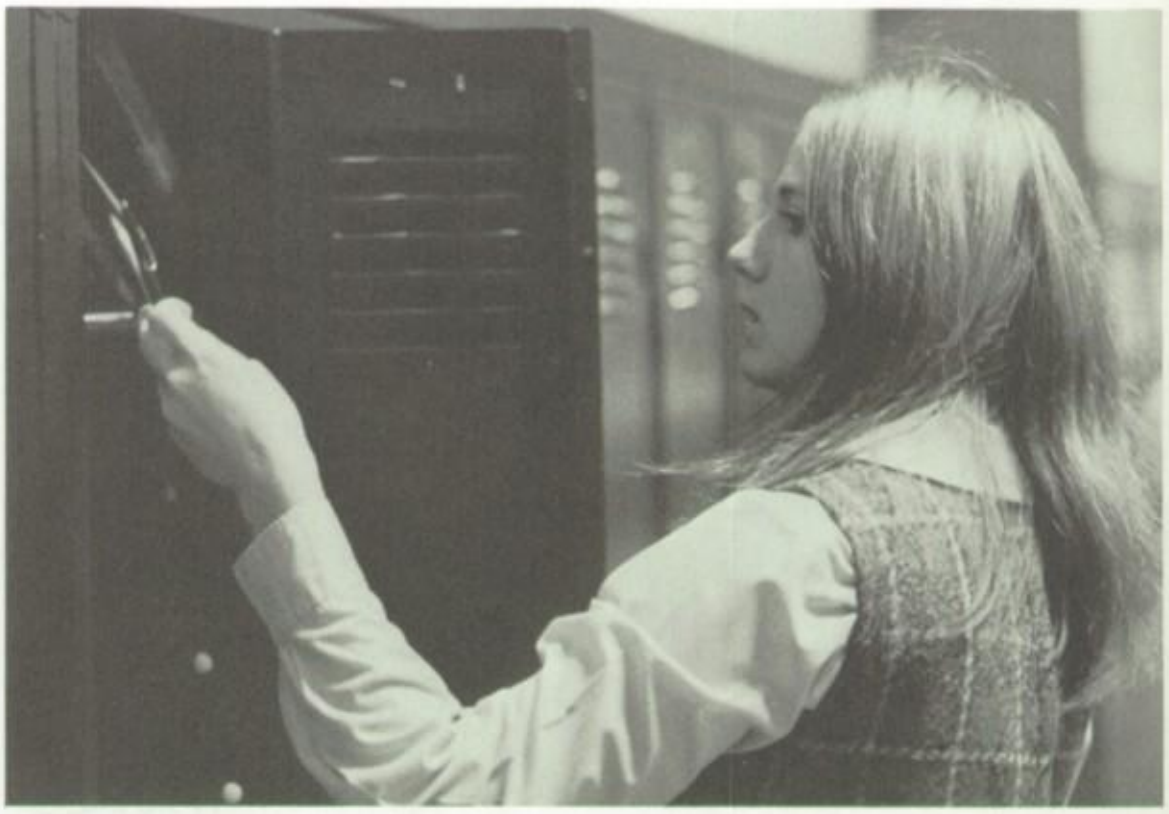
# FRIENDSHIP IS:



# DESPAIR IS:

An injury.

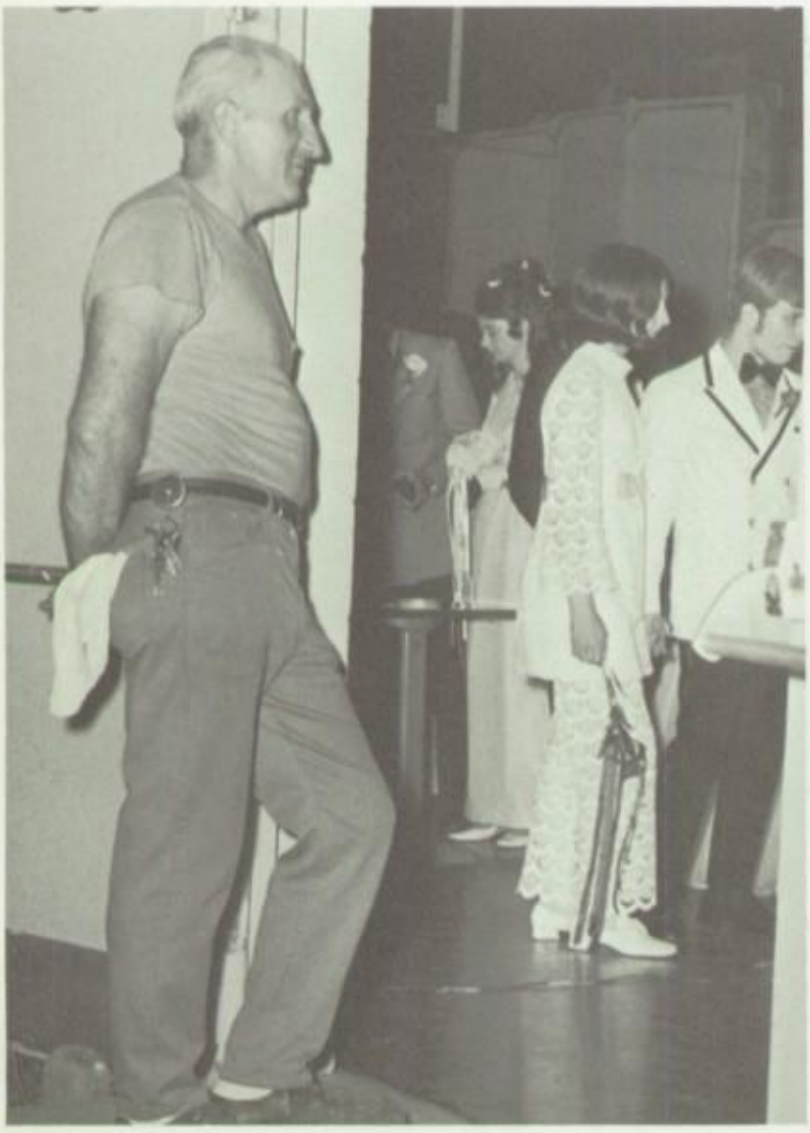


Losing your voice.

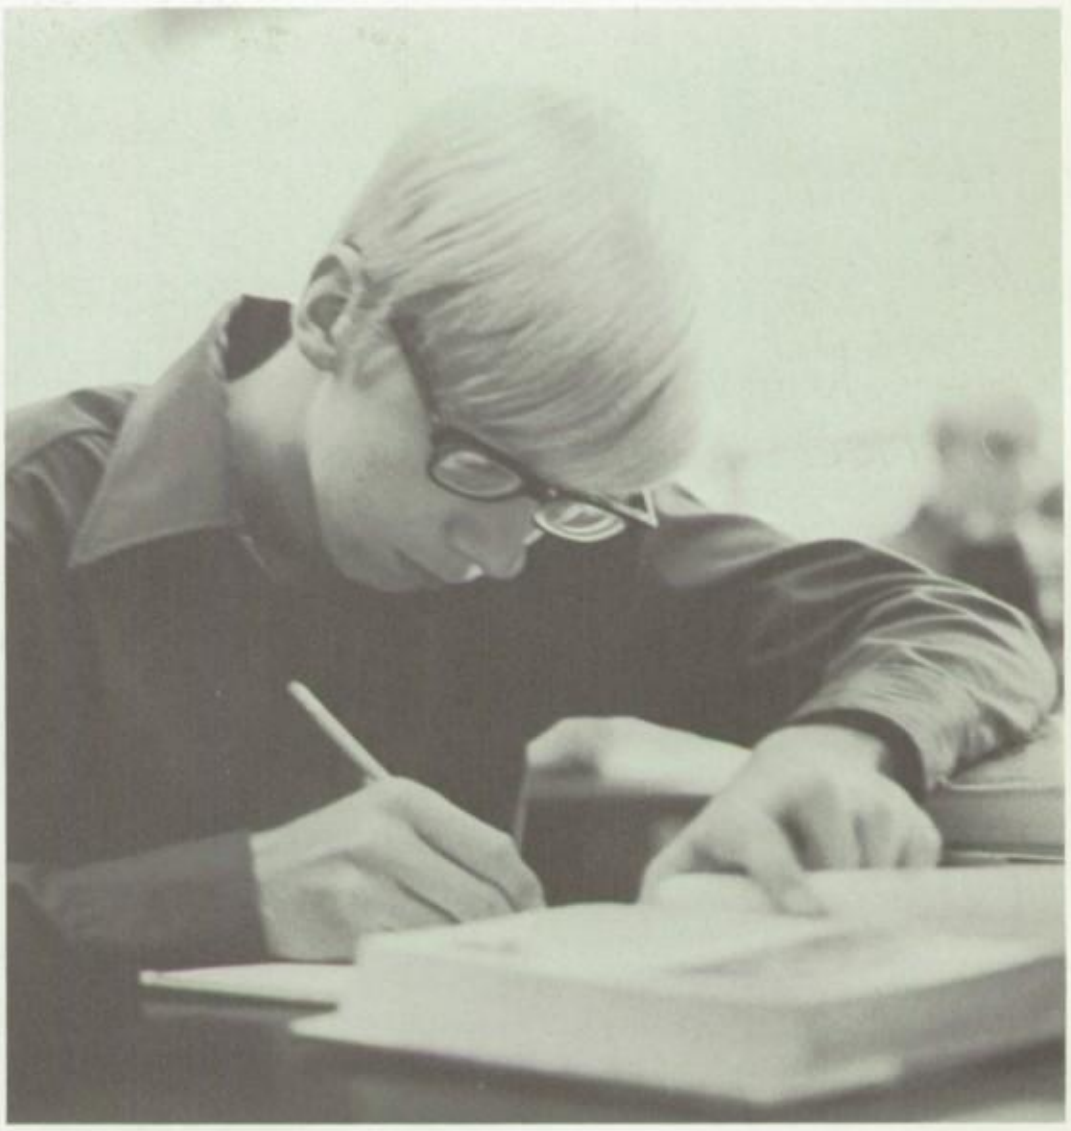
A turnover.

A strike-out with the bases loaded.

Being away from home.



Not having a date for the prom.



Taking a chem test.

A mortician's grin.

A tight squeeze.

Gym class.

To Diane—

This is to a GIRL I met about 6 yrs ago. Remember when you lived across the street? Remember

A Freshman ... when you, me, Linda, LORI & all the boy's (John, Carmen Slim, Danny, Bob, and everyone else). We used to play wiffleball everyday & all those fights! We could never play without fighting. Carmen & LORI really had some good ones. Remember when the neighbors would call the police & Vic would come. That was so funny.

Experience ... You just reminded me of our plays on LORI's porch, & when you got hurt. Ballet was SO STUPID. Remember swimming with Terri Trunzo & ALL THE GOOFY STUFF WE'D do? How ABOUT THAT GIRL CAROL from ATLANTA, Georgia? What A RIOT. She WAS A LITTLE WIERD. More than

A Beginner ...

A LITTLE = A LOT!

Remember Mike (when you liked him) & when Ricky Benson kept WANTED you to dance with him that one time? Yuk!!

Participation ...

GOOD LUCK WITH DANCE with everything else you do.

# ACKNOWLEDGEMENTS

Capturing the moods of an entire high school is not an easy task, but we are hopeful that we have succeeded.

The time and effort put into the production of this book can only be compensated for, by the appreciation shown by the student body.

Our sincere thanks must be given to the following people for their support, advice, and encouragement. MR. CHARLES WILLIAMS, our yearbook sponsor who advised us on the techniques, of planning and producing a book of memories. MR. WILLIAM SINCLAIR, our financial advisor who managed our budget with great success. MR. ANTHONY NICASTRO, an ex-editor and student teacher whose counseling will always be remembered.

We also wish to acknowledge MR. FRAN PETERSON, of WM J KELLER INC, and MR. DEE, of COLAO STUDIOS, for their generous assistance.

Members of our high school body also played an important role and are due our recognition for a job well done: Literary and Quote Committee under KAREN MILLER, Financial Committee under ELAINE GERIS, the Typing Committee, and a special thanks to BECCI BULLICK for her help.

And now we say FINALLY FINISHED! Two words which to us mean the end of our Senior year and our reign as editors.

Good luck next year to our Junior editors. CATHY CALVERT, SUE MATOVICK, and FRAN OLEARCHICK.

Di,

To a really nice and cute girl who I just met this year. Remember all the fun we had in Norbies studyhall, playing cards, and going outside and listening to the radio, and then crawling back in the windows. Remember Jacks class, and all of his great exsperiments, and dont forget his favorite saying like "listen up", and "lets play around with this for a while". Thanks for bringing your radio to English coz without it we would n't of been able to listen to the Pirate game. Remember when you got kicked out of English for taking a fit after Richie Hebner got a hit for extra bases. Dont ever forget Civics class, how you and Dan always got in trouble for talking up front in that little corner. How about the time when you put on Mr. Wagners coat, hat and glasses, you really looked funny. Remember how they always used to try to get you inside of your locker. I don't think I'll ever forget your buddy "Richie Hebner", I never saw anyone so hung up on one person. Remember when you and Di were sick and me and Dink came down to see you. I really liked having you in my classes this year, and I hope we have some classes together next year. Have fun this summer, Ill see you at the pool I hope. Too bad about [redacted] your knee. Good luck in everything you do in the future, Im sure you'll go far. I hope we have as much fun next year together as we did this year.

Tim
